

# BEECH HILL NEWS

Thursday 29th January 2015

## Science Week.

Beech Hill school has had an amazing week celebrating 'Science Week'. All of our children had the opportunity to watch a science show with fun and practical experiments.

Below are just a few pictures of some of the wonderful activities the children were able to experience.

## Snow Day

At Beech Hill we can make most of whatever the weather will bring!

## Winter Weather

In the event of extreme weather causing the school to close parents will be informed in the usual manner i.e. via text/through the school app via the school website as well as an announcement through BBC Radio Leeds, The Pulse radio and Phoenix FM. If you do not receive a text and no announcement is made on the radio please assume the school is open and make your way to school in a safe manner keeping to the main paths around school.

Your child will receive a winter weather pack next week to do at home in the unfortunate circumstance where the school is having to close due to poor weather. Please ensure your child completes this.

## Beech Hill App

We would like to use our app as our preferred method of communicating any school news and updates to you, along with our school website and blog. To download the app—search for My School App in the apple store, and myschoolapp in the google play store.

# Coffee Morning

Coffee morning as usual Friday mornings in the Library

Karen from the Calderdale family health and fitness team raised awareness of calorie and fat content in foods during our usual coffee morning.

Sophie took us through some yoga and stretching moves which were very relaxing.

# Coffee Morning

Everyone Welcome

Usual coffee and fruit/biscuits morning Friday 8.45am onwards
