### Parents' Forum

Mrs Pether would like to invite you to the next Parents' Forum which will take place on Thursday 23rd June at 2pm in the Teaching and Learning Room. Although it was requested at the last meeting to have a morning session this time, unfortunately due to Mrs Pether's teaching commitments this is not possible. If you are not able to attend but would like something to be passed on or discussed please feel free to pass this on to a member of the office staff or your child's class teacher. We hope to see lots of you there; this is an opportunity for you to have a say about your child's education and discuss whole school issues.

Recently there has been much discussion regarding term time holidays in the media, it is therefore extremely important that we clarify any confusion or misconceptions surrounding the matter. Leave of absence may be granted only at that the Headteacher's discretion and in extremely exceptional circumstances. As a school we expect our pupils to have an attendance at 96% or above. This is the current national average.

To secure successful outcomes for our children we do not encourage any term time holidays. Please support your child/children with their learning by ensuring family visits or holidays are taken during school holidays.

Thank you for your continued support.
