Good luck to our Year 6 pupils as they embark on secondary school in September.

Summer Reading Challenge!

For children aged 5-12, the Summer Reading Challenge runs in libraries throughout the summer holidays, with incentives, activities and events designed to create a real buzz around children's reading. The challenge is simple - read six or more library books over the summer and collect prizes for every 2 books read.

Children must be a member of Calderdale Libraries to take part. Every child who completes the challenge will be invited to a special medal winners' ceremony to celebrate their achievement. They will be presented with their medal and get the opportunity to see a hilariously funny performance by poet, performer and national reading super hero Paul Cookson at Brighouse Civic Theatre in October half term. The Summer Reading Challenge is free!

There are loads of great story time activities running in Calderdale Libraries this summer.

Breakfast Club News

From September 2017 we will no longer be running an "Early Morning Breakfast Club" from 7.30am. We have offered this service for a full school year but it has not been used by many pupils. This has meant that the school isn't covering the running costs and can therefore no longer continue. We apologise for any inconvenience that this may cause you.

Personal Belongings

Please can you ensure that on **Tuesday 25th July** your child(ren) take home all of their personal belongings such as: coats, bags and PE kits etc to avoid belongings getting lost over the holidays. PE kits need to be washed and returned to school on **Tuesday 5th September**.

Last Monday a magic magician called Simon came to Beech Hill School. He mad us laugh and we really enjoyed it. The magician chose three children, a boy and two girls. The magician gave the children a prize the prizes were for being an amazing assistant. He also had two pets. One was a pet bird called Vern and he was silly. The other one was called Rocky and we watched him get cut in half! When Rocky was taken out of the box he was all in one piece. **MAGIC!** He is very clever at making animal balloons. We hope we see him again soon.
