

BEECH HILL NEWS

Thursday 15th June 2017

Welcome back to a new term at Beech Hill.

Don't forget school starts at 8.45am.
Please be on time and ready to learn.

Water Safety Week—June 19-23rd 2017

Reception will be taking part in a water/safety awareness theme in their swimming lesson during water safety week. It is hoped that this 'one off' lesson will help to keep children aware of the dangers of water and help them to act correctly in the event of an emergency and keep them safe. We also hope that the change to the normal lesson will help them to further enjoy the lessons with a break in the usual routine of learning to swim.

Can the children please bring an old but clean pair of pyjamas, which must be long bottoms and long sleeved tops (not shorts/short sleeves or one-piece). Swimming costume/trunks are worn underneath the pyjamas. You may find it helpful to bring an extra plastic bag for the wet clothes.

If you wish to discuss this, please feel free to contact the swimming development office 01422 323106.

Yours Sincerely

Paul Graham
Assistant Swimming Development Manager

On the final two days of last half term, Tanzania held a 'water refreshments' sale to raise money for WaterAid after performing an assembly to KS2 about the work done by WaterAid in Tanzania.

The sale was a huge success due to the very hot weather and we raised an amazing £184 for WaterAid. A huge thank you to Tanzania and to everyone who purchased a refreshment.

Water Bottles

It is important that your child keeps hydrated during the school day. We have 500ml Water Bottles available to purchase, for use in the classroom, during the school day. If you would like to purchase one please ask your child's class teacher. Bottles cost £1.20 each.

Ramadan Mubarak

During Ramadan each class will be encouraged to bring in loose change each day to raise money for charity. Each class will have a money pot to fill with nothing more than 20p per day per child.

E-Safety

Remember it is easy for anyone to lie about who they are online, so you can never really be sure about who you are talking to.

Healthy Lunch Box

It is important that your child/ren have a good lunch to sustain them throughout the school day.

What does a healthy lunch box consist of?

Sandwich: Meat, Tuna or Cheese.

Salad.

Fruit.

Yogurt.

Water

Please avoid high sugar and salty foods such as crisps, sweets or chocolate and fizzy drinks.

Please also avoid dilute drinks or pure juices.

Water is provided in the dining hall.

Sweets, Chocolate and fizzy drinks will be collected from children and returned to parents at the end of the day. Please do not include cold chips/fries or burgers in packed lunches.
