Ramadan Mubarak

Ramadan is due to start at the end of this half term. During Ramadan, each class will be encouraged to bring in loose change each day to raise money for charity.

We will be raising money for our school charity, Dementia Friends. Each class will have a money pot to fill with nothing more than 20p per day per child.

Now the weather is getting warmer please make sure your child brings a water bottle to school.

Or purchase a water bottle for £1.20 from the office.

Also, please make sure your child has their name in their jumpers and cardigans to prevent them getting mixed up and lost when they take them off.

It's Family Challenge Time! Let's look after our environment! This half term the Family Challenge is to take part in **planting at home or looking after any garden area.**

As always, please email the photographs of your child and your planting activities to: admin@beechhillschool.co.uk or alternatively hand the evidence of the completed challenge to your child's class teacher. It would also be nice for your child to write about this memorable experience and we can display this in school. A prize will be given to all children who take part. Ready...Steady...Go...The Challenge has begun!

Congratulations Nigeria Class for achieving 100% class attendance, this is fantastic! Could you win the big prize?

The overall attendance in our Foundation Stage was low. It is extremely important that children attend school regularly in order to ensure the best chance of success with their learning. Regular attendance allows the children in Foundation Stage to establish good routines, develop social skills and remain on track to make good progress, preparing them well for their remaining school life.

Many Thanks
Farhat Hussain
Attendance Officer
