27th School Closes For Half Term

As a school, we are using Seesaw as an online learning journal to help your children in lessons and at home. It is a free app, which you can download from your app store.

All children will have an account, which you can access through any device (smartphone, tablet, iPod, PC). We would appreciate it if you could sign up and follow your child's account as your input to their learning is vital.

It means that you can see what your child has been learning when they upload their work and you can comment on what they have been doing.

If you have any issues with accessing the app, please see your child's class teacher who will help you set it up.

End of Day

Year 5 and 6 children are dismissed at the end of the day to meet their adult in the playground or to walk home as arranged with their parents. As the colder and darker months approach us, if you don't want your child to walk home alone can you please inform the school office or their class teacher. Thank You.
