Thursday 21st September 2017

## Health Week

Next week is Health Week at Beech Hill School, and your child will be taking part in lots of exciting sport and healthy lifestyle activities.

On Monday we have the Calderdale Better Living Team in to spend the whole day with KS1 where they will be looking at reducing the sugar in their drinks and what to have for breakfast. Year 2 are also going to visit the Halifax Fire Station to take part in their 'Learn to Ride' course where they will be learning to ride a bike and gain new skills.

### Family Challenge

Can you take part in a 20 minute HIIT training with your family?

Year 3, 5 and 6 have been taking part in the Jo Wicks school workout challenge as part of their PE lessons. The training is called HIIT (High Intensity Interval Training) which focuses upon stamina, strength and physical development. Follow the link to the Body Coach's YouTube page to have a go!

## Water Bottles

It is important that your child keeps hydrated during the school day.

We have 500ml Water Bottles available to purchase, for use in the classroom, during the school day.

If you would like to purchase one please ask your child's class teacher.

Bottles cost £1.20 each.

## Nursery Snack

Reminder - nursery snack is 50p per week.

Mrs Mason will be taking snack money and she will be located near the registration board in the nursery classroom on a Monday and Wednesday at 8.45 and 12.10.

Thank you.

Here at Beech Hill School, we are extremely fortunate to have various state of the art sporting facilities. This includes our newly installed flood lit 3G pitch, Cricket Nets and Multi-use Games Area (MUGA).

This year we are aiming to take full advantage of these facilities by running lunchtime clubs led by our highly experienced coaching staff. These will run very similar to our existing after school clubs and will initially be used by KS2 children. We hope these opportunities will further boost our children's health and well-being, as well as provide a wider selection when it comes to deciding on teams for sporting events.

Ultimately it is yet another exciting prospect for our children to participate and have fun in!

## School Dinners

If your child has paid school dinners please can you pay every Monday for the full week. Or at the beginning of the term for the full term.

Mrs Amin collects dinner money from the school playground entrance at 8.45am.

## Staff Car Park

For the safety of our children at school, please do not park in the staff car park unless you have been given permission from Mrs Hussain.

Thank you.

## Telephone numbers

Please inform the school office if you are not receiving text messages or if you have recently changed your number.

It is important that you keep your number up to date.
