Parents' Week at Beech Hill

Thank you to all of the parents that came and joined us last week for Lower School Parents Week. There were lots of different activities that took place all week where children could take part with their parents. We had a special Christmas jumper workshop as well as phonics, reading, forest school, science and maths activities. We hope that you enjoyed coming into your child's lessons. There will be a parents' week for Upper School later in the new year; dates and all the details will be sent out before the end of this term.

Value:

Our value for this fortnight is thoughtfulness. In school, we are demonstrating thoughtfulness by completing Bob Sleigh's advent calendar each day to help us think about others and make school a happier place.

We have also been challenged to showcase our values at home at the weekends and to report back on how we were thoughtful using Seesaw.

Clement Court Visit:

The choir visited Clement Court Care Home on Tuesday 4th of December. They sang songs from the Festive Big Sing including: Don't Worry Be Happy, I'm a Believer and Naughty from the hit musical Matilda. The residents loved the children's singing and it brought smiles to their faces. Well done choir!

Owl Visit

What an amazing morning we had in Year 2 on Monday! The children were very lucky to have six rescue, birds of prey visit Beech Hill School this week. The children were educated around the different types of birds and learnt lots of exciting facts about their appearance, diet and habitats. The children then got the chance to have an individual photo holding a little owl!

Staffing Changes

Miss Wilcock will be leaving us at the end of this term. She is leaving us to teach fitness to adults. We would like to thank her for all her hard work over the last few years and wish her well for the future. Mr Pearson will take over as Class teacher of Singapore. He has already been into school to meet his class and is looking forward to starting in the new year.

Bob Sleigh's back!

Last week Bob Sleigh came back to Beech Hill to keep an eye on us and spread some holiday cheer! He has been moving his way around the school and leaving treats for those boys and girls who have stayed on step zero. Let's find out what he has been up to!

He mummified himself in South Africa and in reception he made a mess and a snowman. New Zealand were all put on step 5 and had to sing a Christmas carol to move back to step 0. In Switzerland he made them all do some additional maths to help him learn how to use a number line and in Tanzania he left sprouts for those children who hadn't been making the right choices in school. What a busy elf he is! Where will he end up next?
