

BEECH HILL NEWS

Thursday 15th November

Stars in our School

Last Friday, we celebrated all the school's support staff by holding a 'Stars in our School' assembly. Stars in Our Schools is a celebration of hard work and dedication of the support staff. UNISON organised the day to celebrate the wonderful work they do every day and to make sure the world knows just how vital they are to children's education.

It takes a whole team to make Beech Hill School a safe and happy place for children to learn. Our school support staff help children learn, keep children safe and healthy and make sure schools run smoothly. They are the teaching and support assistants, the catering team, the administration staff, the finance officers, the learning mentors, the ICT technicians, the site managers, our in-house speech and language therapist and many more. School support staff are vital to the effective running of a school, but this is not often recognised as they are usually tucked away behind the scenes. They are the unsung heroes of our children's education and we thank them for everything they do!

Summerfield House Visit

The year 5 children really enjoyed their visit to the residents at Summerfield House. They made poppy art work together to remember the soldiers that lost their lives in World War 1, 100 years ago. They also listened to stories about the residents' families and the roles they played in the war.

Summerfield House visits Beech Hill

Residents from Summerfield House Care Home came into school to celebrate Roast Dinner Day. They ate with the children and enjoyed a performance from the Beech Hill Choir.

Mosque Visit

Last week USA3, USA4 and USA5 visited Madni Mosque. The children were very sensible on the walk to the Mosque and enjoyed looking at different buildings and leaves that had fallen from the trees. The children learnt about road safety and some of the children were able to spot their own homes.

When we arrived at the Mosque the children looked at the outside of the building and were impressed with the tall Minaret.

Thank you very much to Mrs Sadiq for her continued support in organising this visit.

Young Carers award

We have achieved the Young Carers in Schools Bronze Award for our work to make sure pupils don't miss out on an education because they are young carers.

The Young Carers in Schools programme helps primary and secondary schools improve outcomes for young carers and celebrates good practice through the Young Carers in Schools Award.

Young carers are responsible for emotional, practical or physical care for a parent, sibling or other family member who has a physical disability, mental health issue or substance misuse issue. The 2011 Census statistics revealed that there are just over 166,000 young carers in England, but research reveals that this is just the tip of the iceberg. The true figure could be closer to 700,000 young carers in England, equivalent to one in 12 school children many of whom are unrecognised and unsupported.

Poppy Competition

Poppy Competition

Thank you to all children and parents who took the time to create a poppy for the competition. The entries have been on display at the top of the hall for the week before the holidays and last week too. All of the entries were absolutely amazing and it was a very difficult to choose the winners.

competition to judge! So much so, we have awarded 6 prizes instead of 3.

Winners!!
