Thursday 11th October

Sea Life Centre

Last Thursday Year 2 went on a school visit to the Sea Life Centre in Manchester. It was a fantastic day out and the children absolutely loved it. The children were in awe of the amazing sea life that was there that including a Japanese Spider Crab, Stingrays and Sharks. The children's behaviour was impeccable and a real credit to the school. They learnt lots about the different habitats and micro-habitats and what they needed to survive. The children then wrote all about their visit the following day. All the staff in Year 2 wanted to say a huge well done and we are all proud of you.

The Better Living team are coming into school on Monday 15th October to deliver a parents' workshop at 8:50-9:20am around energy drinks.

If you would like to attend please meet at the top of the stairs in the playground at 8:50.

Thank you

Butterflies Update

Last Friday, the last of the butterflies emerged from their cocoons. They were brightly coloured and beautiful. We released the butterflies so that they could go on to the next stage of the life cycle- to find a mate and lay eggs under a leaf. Keep an eye out for the beautiful butterflies!

Spare Uniform Notice:

If you have any good condition uniform that your children have grown out of please could they pass it on to school as a generous donation.

Thank you in advance.

Clement Court Visit

The older ladies and gentleman really enjoyed spending time with our new Year 5 reading buddies.

They were praised for their excellent reading and lovely clear voices.

Most of all they enjoyed being in the company of children!

Year 1 Trips to Manor Heath Park

This week Year 1 went on a wonderful trip to Manor Heath Park. This was for part of our current topic 'Paddington' and science unit 'Seasonal Changes'. We went on an autumnal walk around the park and found out all about what happens to deciduous trees in autumn.

Congratulations Mexico for achieving 100% attendance, this is fantastic!

Our overall school attendance is disappointing this week and if we are to achieve our termly target (above 96%) everyone must attend regularly. Hopefully next week we can achieve this.

Many Thanks
