Thursday 13th September

NSPCC

The NSPCC's 'Speak out. Stay safe.' programme visited children in key stage 1 and key stage 2 to make sure our pupils have the knowledge and understanding they need to stay safe from abuse.

This is a nationwide programme for every primary-school-aged child in the UK and Channel Islands. With the help of their friendly mascot Buddy, they presented an assembly to the children and will be delivering workshops to children in years 5 and 6 next week. Through child-friendly, interactive activities, their specially trained staff and volunteers provide children with information about how to keep themselves safe from harm and how to get help if they have any worries.

If you would like any more information about the 'Speak out. Stay safe.' programme you can visit the NSPCC website www.nspcc.org.uk/speakout

Hometime arrangements

Please can all parents ensure that their child knows who is collecting them from school and also ensure that those adults responsible for collecting are aware of the arrangements that are in place.

When children from years 5 and 6 are released in the playground, they are expected to go home with the appropriate adult or come back to a member of staff if the adult is not there.

All younger children must be released by a member of staff and it is up to parents/carers to approach staff to ask for their child.

Thank you very much for your continued support.
