

Big City Bright Lights

Personal, social and emotional development

We shall be discussing feelings and how to express our feelings such as sad, happy, cross, scared or worried.

Our SEALS Topic this half term is going for goals. Talking about targets and how we can achieve them. Making new friends, helping to set the table and washing up.

Literacy

Our books will be *Going on a Bear Hunt*, *Paddington Bear*, *The Hungry Caterpillar* and *Little Red Riding Hood*.

Mathematics

We will be exploring size small, medium and big bears. We shall also be discussing shapes and the different shapes we find in the environment.

Expressive art and design

We will be making bears and Caterpillars using a variety of resources and different textures.

We shall be creating opportunities for the children to explore a variety of different textures, from cold, warm, swishy and dark.

Communication and language

This half term we will be listening to stories about bears, the characters and the scene setting.

You could support your child at home by visiting the local library.

Physical development

We shall be encouraging the children to use writing materials correctly and encouraging the children to draw lines, circles and different shapes/patterns.

We shall be encouraging the children to explore how to move freely, through crawling, hopping and jumping.

Understanding the world

In technology the children will be developing their confidence when using ICT equipment.
