

Personal, social and emotional development

We shall be concentrating on taking turns and relationships. The Nursery staff will be encouraging the children to show confidence using language when playing and to communicate freely about their home and community.

We shall be discussing things we see and do within our community and how to stay safe when we are out and about in the local area.

Literacy

During circle time we shall be encouraging the children to join in with the stories and to be able to describe the main characters.

Mathematics

The children will be exploring 2D/3D shapes and observing different buildings. The children will be encouraged to talk about their construction they have made.

Expressive Arts and Design

We shall be encouraging the children to experiment with blocks, colours and marks.

The children will be experimenting with different textures using straw, sticks and bricks and exploring mixing paint and colours.

Bob the Builder

Communication and language

Our books this half term will be:

Jack and the Beanstalk, Jasper's Beanstalk and Paddington Bear.

We shall be questioning the children why things happen and encouraging the children to give explanations.

Physical development

We shall be encouraging the children to use writing materials correctly and encouraging the children to draw lines, circles and different shapes/patterns.

During outdoor play the children will be using their physical skills and developing confidence using bikes and scooters.

Understanding the world

Jasper's Beanstalk - staff will be encouraging the children to discuss what they have observed such as plants and discussing how things grow. The children will have the opportunity to plant their own seeds to take home.

Paddington Bear - we shall be discussing travel and buildings we see in London. We shall also be making jam sandwiches.
