Arts Mark Link / PE

Dance unit of work delivered by Jamie

- Master basic movements including running and jumping, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- Perform dances using simple movement patterns

Sensational Safari

Maths

Pupils should be taught to:

Measure and begin to record the following:

- lengths and heights
- mass/weight
- capacity and volume
- time (hours, minutes, seconds)
- recognise and know the value of different denominations of coins and notes
- sequence events in chronological order using language [for example, before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening]
- recognise and use language relating to dates, including days of the week, weeks, months and years
- tell the time to the hour and half past the hour and draw the hands on a clock face to show these times

Maths Link...

- Lengths and heights
- Mass/weight
- Position, direction and movement

RE

Kirklees and Calderdale Units of Work

Computing

Purple Mash - 1.5 Maze Explorers

- Understand what algorithms are
- Create and debug simple programs
- Use logical reasoning to predict the behaviour of simple programs

Science

Animals, including humans

- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- identify and name a variety of common animals that are carnivores, herbivores and omnivores
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)
- identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense

Seasonal changes

- observe changes across the 4 seasons
- observe and describe weather associated with the seasons and how day length varies

Trip - Yorkshire Wildlife Park on 10th July 2018
