Staff Training

Springboard Course – Nicol Kaye
Inclusion Quality – Sue Leaper
Dyslexia Course – Sue Leaper and Julie Croker
Sims Attendance Course – Alia Abad and Rose Wells
Primary Heads Course – Jonathan Moss

Calderdale Junior Wardens Programme

Beech Hill is participating in this exciting programme designed to get young people in Calderdale caring for their community. Children in Year 3 and Year 4 applied to become Junior Wardens and went through an interview process. The successful applicants are Sammun Mumtaz, Shomaila Ajaib Class 11, Maryam Afzal, Salihah Ahmed, Mohammed Daniaal Class 12, Haleema Sadia, Anisa Ali Class 12, Rukiya Mazhar Bilal Ahmed, Tahmin Rahman and Sonia Mudasar Class 14.

Athletic Tournament

Beech Hill took part in the first Family of Schools Athletics Tournament at Halifax High on Monday 8th October. The children were wonderful ambassadors for the School both with behaviour and effort.

MEDICAL INFORMATION

We still have many children who suffer from asthma without medication in school. If your child suffers from Asthma can you make sure they bring an inhaler to keep at school.

Website

Watch out for our new school Website...coming soon.

BUILDING WORK

Over half term, there will be some building work happening in School. We will be having a new Learning Mentors room and Headteachers office as well as a new ceiling in Class 12.

The face painting stall was very popular.

Brilliant Eid Event

We planned another wonderful event to celebrate the festival of Eid Ul Fitr

The event took place on Tuesday 7th October.

There were many different activities for the children to enjoy such as making games, football shoot, mehndi and face painting. In addition to this there were stalls selling food for everyone to enjoy as well.

We hope that everyone who attended the event enjoyed it and would like to thank all the parents and the PTA for supporting us.

We were able to raise over £600 which will be shared between the Islamic Relief and School funds.

Parking

You will note that there is a new barrier across the car park to ensure the safety of children and staff at busy times of the day. Parents should park in the Aldi car park which is conveniently located next to school. This will stop the large amount of traffic building up around school. Thank you for your help.
