Reception Visit to 'The Jungle Experience' at Manor Heath Park

We went to the Jungle Experience because we are learning about animals that live in the Jungle.

We saw many interesting plants and exotic flowers, terrapins were swimming in the pond along with carps and goldfishes. The Carps were yellow and had patterns on their body.

The reception children really enjoyed the experience and learnt about different animals.

Tag Rugby

Year 6 are currently doing a Tag Rugby, they will be taking part in a competition at the end of the 4 weeks
