### Local Walk

We went for a walk in the local area and we looked at the shops and where people worked. Both year two classes went. We went 22<sup>nd</sup> January. We liked the buildings and some of the houses. We saw some litter and we didn't like it. It was very messy. We liked the mosque.

#### Manchester Museum

On Thursday 22<sup>nd</sup> January, year 4 went to Manchester Museum. We all liked it when we went to the discovery room. It was very exciting because we could handle primary sources that were thousands of years old. We were allowed to hold make up jars, amulets and mini miz. There was a coffin that had no mummy in it. We also liked it when we went to see real life animals. We saw two poison dart frogs. There was a red snake that opened its mouth. There were these little orange frogs that looked like toys. The trip was very good it was the best. We learned lots about the Egyptians.

### School Meals

The governing body has decided to suspend all meat products on the School Menu, pending a full investigation into where the meat is coming from, how it is being slaughtered and processed before it arrives at our school.

This is in order to ensure the meat we serve at Beech Hill is Halal.
