Y5 Street Surfing

On Tuesday afternoon Year 5 did some Street Surfing in the playground. They did it because it was in place of the gymnastics teacher who was unable to come. It was a last minute activity. Miss Clark said, "It was good and I enjoyed it" this is what the class said; "It was a great experience to learn something new in school". We hope you enjoyed our little paragraph about Street Surfing and hopefully you will get a chance to try it. If you want to know more about this sport visit www.streetsurfing.com

A New Family Centre!

We have secured a substantial amount of funding from the Childrens Centre to refurbish the Family Centre. The work will take place during the summer holidays. The centre will have its own entrance and will be open for parents and other groups of people to use.

We would like to know what services you would like to see in the Family Centre i.e. parent's classes, Internet access, midwife clinics etc. A suggestion box has been placed by the office area and in the Nursery and Reception classes so you can give us your ideas on what services you want in the Family Centre.
