## Bankfield Mansion!

On Wednesday 18<sup>th</sup> November, year 6 had the pleasure of visiting Bankfield Museum where they travelled back in time to 1871. Unfortunately, two of the house staff had been murdered in different ways so the children had to solve the mystery as to who the murderer was.

The children had to find clues up and down the museum and use them to determine who the killer was. There was lots of valid evidence against both the suspects but, after much deliberation, the children reached a conclusion about who the real suspect was.

## Lastweek was anti-bullying week!!

Our aim is to raise awareness of the impact of bullying- whether it is happening to them or to someone else.

As our school is enjoying a moment in the spot light due to winning the Good Morning Britain competition we were invited to St Andrews Junior School and The Pupil Referral Unit last week to 'make a noise about bullying' and encourage children to speak out.

We had a lovely welcome from both schools and as always our children did us proud.

Hopefully our links will continue.

If anyone has any questions/ concerns regards bullying - please call into school and speak with me.

## E-Safety

Remember it is easy for anyone to lie about who they are online, so you can never really be sure about who you are talking to.
