## ATTENDANCE

Congratulations to Brazil class! Well done for achieving 100% attendance for last week. A great way to start the new year. Sadly, many of our classes had an attendance of below 95%. This has reduced our overall attendance.

All medical and dental appointments must not be made during school hours. If this cannot be avoided due to an emergency then please ensure your child is not absent for the whole day as this is unnecessary.

Thank you for your support.  
Farhat

## Attendance and Punctuality Tips!

- Get book bags and clothes ready the night before to speed up the morning routine
- Make sure your child is in bed at a reasonable time
- Speak to us about breakfast Club if you're struggling to get your children here on time
- Let your child's teacher know if you or they are having problems getting up for school
- Make routine appointments eg dentist, during the holidays or after school.
