European Day of Languages

On Monday Key Stage 2 took a break from learning French to take part in the annual European Day of Languages to celebrate all the different languages that we speak.

The children had a go at answering the register in a different language- Year 4 tried German! In Maths, the children conducted a survey of their class to find out the different languages spoken, including Polish, Punjabi, Urdu and even Tamil, among many more.

They presented their results in a graph. Year 4 and Year 6 also took part in a Spanish workshop and by the end of the session were able to have a simple conversation for about a minute!

They learned about Spanish greetings, asking questions and responding with answers to find out name, age and where they live. They were all super!

An absolutely fantastic week for pupils in Portugal class. All pupils achieved a perfect attendance of 100%. Mrs Borges Vas is absolutely delighted to have the winning class this week. Congratulations! Don't forget to display your certificate in class.

We need to see more of our ks2 classes achieving 100

This half term I will be handing out a prize to the class that receives the most certificates for achieving the highest attendance. There will be a prize for foundation stage, key stage 1 and Key Stage 2. Make sure you keep your certificate safe.

Can I remind all parents to report any absence to the school office before 9.00am.

Many Thanks
Attendance Officer
