WELCOME BACK

Welcome back to a new term at Beech Hill.

Don't forget school starts at 8.45am. Please be on time and ready to learn.

New Building

We are pleased to inform you that the 4G pitch is now nearly ready. Work will be completed next week and we are looking forward to using the football and cricket facilities with our children.

Work will also commence next week on the next phase of our building project which is creating 5 new classrooms and a corridor to connect the main school to the Y5/6 building. This will further improve the provision in school and create more teaching areas for our children.

We will keep you up to date with any issues that may affect you.

The work should be completed by September and we are all excited about and looking forward to our new development.

Family Challenge Time!

Well done to last half term's winners: Andrej, Eva and Lucas. Make sure you collect your prize from Miss Whiteley if you haven't already!

This half term's Family Challenge is all about communication. The challenge is to write to a family member or a friend who may live a distance away from you or even overseas. Please send any photos of children completing the challenge into school with your child or alternatively email photos to: admin@beechhillschool.co.uk.

Prizes will be given to all children that take part and they will all be entered in the big prize draw.

I hope you have all had a great holiday and are ready for to learn!

Our school attendance is currently at 96%. This means we are achieving the national average.

In order to achieve our end of year target we have to maintain this until the end of this academic year.

We are working extremely hard as a school, to ensure pupils attend regularly and receive the learning they need to achieve their true potential.

Sadly, there has been an increase in families requesting leave of absence during term time. More often than not the flights have been booked and school has not been consulted or notified. We must point out that taking such leave is at the cost of your child's education and must be avoided at all costs.

In May our year 6 and year 2 pupils will be taking SATS tests and are currently making final preparations. It is important that you support your child in securing a better future by sending them to school every day as this will not hinder their opportunities in the future.
