Rights Respecting School Council Visit to Sowerby Village School

On Thursday 28th September, the school councillors went on a visit to Sowerby Village Primary School to see their playground. First, we rode safely on the school minibus to get there. When we arrived we were greeted by their school councillors. After that, we looked at their school playground. What a wonderful playground they had! We are planning to take some ideas for our playground so that we can improve it for the future.

Parking around school

Please can you be careful when driving and parking around school, in particular on Mount Pleasant Avenue.

There are a number of cars that are parking on the double yellow lines, this is prohibited and you risk receiving a parking ticket.

It also is very dangerous as the entrances and exits to school are being blocked and children are having to walk into the road.

Under no circumstances should any cars be driving on the pathway. Please can you ensure that your children are well supervised around the school grounds to prevent any accidents from happening.

Thank you.

A special mention to Tanzania for being absolute superstars with their effort and enthusiasm, and outstanding behaviour for the duration of the trip.
