We are Gold!

Investors in People has grown to be the UK's leading people management business improvement standard. First developed in 1991, over 15,000 organisations are now accredited with the improved Bronze, Silver and Gold awards.

Following a much more rigorous assessment than 3 years ago including interviews with a large number of staff, Beech Hill School continues to remain in the top 2% of organisations across the UK who have achieved the GOLD standard. This standard is only given to organisations who can demonstrate excellence in developing and supporting their staff and we needed to meet more than 165 evidence requirements standards that included commitment to our values, personal development and social responsibility.

On behalf of the Trust, I would like to thank all the staff for their support and ongoing commitment toward the school and ensuring our pupils have the best experiences possible.

Well Done Beech Hill!

This week the Beech Hill staff battled it out again to become the 'Spelling Bee Champion 2018'! This year's event was even tougher as the teachers had to complete a 'quick fire speed round', as well as trying to spell some really tricky words! A big well done to all of the teachers that took part, especially to Miss Naylor who was crowned the new champion! The children's Spelling Bee will be taking place after the Easter break, so there's still plenty of time to get practising!

Congratulations to Morocco and China class for achieving attendance over 99%!

Our overall attendance was below the national average last week, which is disappointing.

May I remind Parents/carers of their legal obligation in ensuring children attend school regularly.

Furthermore, please support your child's learning by arranging all holidays during the school holidays and not through term time, as this has a negative impact on your child's learning.

Our year 6 and year 2 children are preparing for their SATs , it is extremely important they attend school every day to ensure they do not miss any of their learning and achieve their true potential.

Thank you your continued support.
