## Beech Hill's Brilliant Poetry Exhibition in Halifax Library

Here is a little exhibition of our Year 3 Children's flag poems installed in Halifax Library. This is something for our pupils and staff to be really proud of!

Calderdale poet Winston Plowes has been working as Poet in Residence at Beech Hill School for three years now, his year three classes have recently been writing about what they think puts the 'Great' in Great Britain and have made these visual poems to get their message across. Winston has written a poem with our pupils 'Three Cheers for Great Britain' which you can pick up at the library desk.

We send a huge thank you to all the pupils and teachers who helped with this project.

## Value: Tolerance

"Compassion and tolerance are not a sign of weakness but a sign of strength"- Dalai Lama .

This fortnight our value is Tolerance. Through assemblies and class discussions, children will be exploring how important it is to be tolerant and to respect other people's race, religion, gender and opinions.

### Attendance

Last half term our overall attendance was 96.7%. At the end of this academic year we would like to achieve above 96%.

I am looking forward to more of our classes achieving 100% class attendance and will be awarding prizes to those that achieve this. Good luck everyone!

Thank you for your continued support.  
Many Thanks

### Google Internet Legends

On Wednesday 7th November, a team from Google came to deliver an assembly on being Internet Legends. We learnt lots about how to stay safe online and how to be a good online citizen. There are some free games that you can play online if you go to <https://beinternetlegends.withgoogle.com/en-gb> and explore Interland.

Remember- be sharp, alert, secure, kind and brave!
