Thursday 22nd November

First Aid at Beech Hill

Today our Year 6 pupils learnt how to perform adult CPR using British Heart Foundations 'restart a heart campaign'. This campaign takes part every year aiming to teach as many children as possible CPR. It is usually carried out in secondary schools but as we have done fundraising for a defibrillator we thought it was a great opportunity to teach some of our children an important life skill.

The children were very mature and took part with great enthusiasm and understood the importance of learning first aid. A big thank you to Mrs Connolly for showing us how to perform CPR.

Reading Buddies

Our year 5 Reading Buddies returned to share the good company of the residents of Clement Court.

One resident said she'd changed the time of an appointment so that she could still meet her reading buddy! The residents and our pupils are eagerly awaiting the next visit on Wednesday 28th November.

Choir at Victoria Theatre

The choir are performing at the Victoria theatre next **Wednesday 28th November**. Tickets are on sale from the Victoria Theatre website or the box office. Tickets start at £6.50 it'd be great to have lots of you there to support us. <https://www.victoriatheatre.co.uk/whats-on/primary-schools-festive-big-sing>

Summerfield House comes to Beech Hill

Residents from Summerfield House came in to school to share food and listen to the choir sing. These were the comments from the residents:

Mavis (age 94) - "Thank you so much for inviting me to this school to share this food and hear the children sing, it has been wonderful. I am so happy my heart is singing too".

Dudley (age 80+) - "It has been over 70 years since I was in a school. It was lovely to sit with the little girl and eat a meal. She asked me lots of questions about my life, like where I lived and worked and she told me what lessons she liked and which food she liked to eat, it was such a pleasure to talk to her and hear their voices sing."

Pat (age 70+) - "We don't get invited out much and I am so glad we came here today. The food as nice and chatting with the children was fun. I hope we behaved ourselves so we can come here another time."

Ethel (age 80+) "Those girls are treasures, did you see them give me a hug when I left! They told me they are coming to visit us at the home again in a couple of weeks, I can't wait to see the children again."

Year 2 Residential

On Thursday 15th November 26 Year 2

children went on a residential to Nell Bank in Ilkley. As soon as we arrived, we ate our packed lunch and after that we went into the woods to do a number of different activities. We saw shiny, green wiggly woos that showed us the way and when we looked up to the sky, we saw the tiny, sparkling stars. Finally, we had supper before reading bedtime stories.

"This is the best day EVER!" "Can we stay here forever?" "This is amazing how we are sleeping in a real wood!" "My favourite part was when I got to sleep in the same room as my best friend".

We are all very proud of all the children who went on the residential and a huge thank you goes to all the members of staff who made the residential a great experience.

Get Active at Beech Hill

Friday 23rd November: Get Active with Mr Hoyle

Get your trainers on and bring your water bottle for a fun exercise based session in a classroom. You will take part in a short fitness workout that you can use in your own house with all the family.

Safeguarding Online Games:

Please can all parents be mindful of the games your children are playing as some contain graphic violence.

We have recently been made aware of Fortnite which has an age restriction of 12 or above but it is being played by younger children.

The game asks the children to remove their clothes and take a picture. Please keep a close eye on what your child is doing when they play the game.

Square Chapel Visit

On Tuesday 20th November Year 6 went to Square Chapel and watched a play called “The Vulture’s Song”. It was based around India, Pakistan and Bangladesh’s independence. What happened in the story was the girl’s father died ,her and her sister had to escape or the people would kill them! It taught us that there is still war today and people still flee their countries to be

safer. It reminds us that we need to be grateful for what we have today and what other less fortunate people don’t have. We would rate it 5 out of 5!
