My Murton Park Trip

On Wednesday 21st November 2018

First, we lined up and boarded the mini bus. After some time, we set off. We looked out of the window and it was a brilliant view. I sat with my friend Is-Haq and we had an enormous chat, meanwhile outside it was frosty and cold. After a long while, we arrived at Murton Park. Just then a man dressed up just like a Viking came out of the building. Then we went inside and got changed into some uncomfortable Viking clothes. After that, we went outside and did some fun activities.

Firstly, we went into a Lord's long house. It had benches around it and a real fire in the middle of it! Ivor told us how Vikings lived. Did you know they didn't have electricity? I felt really lucky to live in a comfortable house because some people in the world still live like Vikings did in the past. We looked at some artefacts and made a Viking game. Did you know Vikings made games out of cloth?

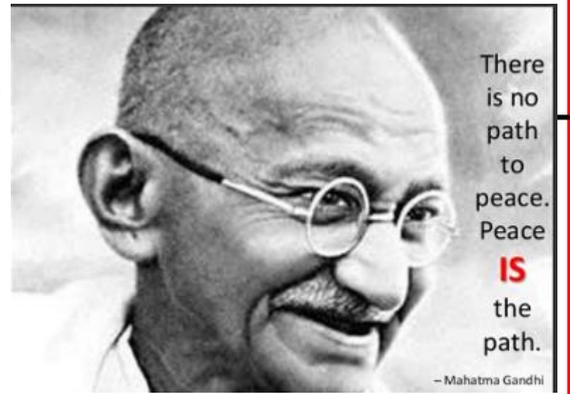

Then we had our yummy, delicious lunch! I had a chicken wrap, a yoghurt, a cereal bar and a bottle of water. Then we did two more activities. We made a Viking oil lamp out of clay and then pretended to be guards with shields and spears!

In the blink of an eye it was time to say goodbye and set off back to school! Utterly exhausted, I nearly fell asleep, but after a short while we arrived back at school. Would you like to visit Murton Park too?

Value of Beech Hill

Our value for this fortnight is Peace. Through assemblies and class discussions, children will be learning what peace within school and the wider community looks like and how they can behave peacefully around school and at home.
