Health Advice

During the winter months pupils are more prone to illnesses and viruses, such as flu and norovirus. We have been given some guidelines from Public Health England to share with you. Please use the following guidelines to help our school over the next few months:

Ensure your child receives the nasal flu vaccine through our immunisation programme on the 9th December, here at school. Regular hand washing using warm, soapy water. Catching sneezes and coughs into tissues and taking straight to the bin.

If your child is suffering from symptoms of flu, please keep them off school for 24 hours. These symptoms can include: sudden fever, dry chesty cough, sore throat, aching body, headache, tiredness, diarrhoea or tummy pain and nausea.

If your child has caught a vomiting bug, please send back to school 48 hours after the last time that they were sick.

Beech Hill Stars in Our School

On Friday morning we held our annual 'Stars in Our School' assembly where pupils thank the staff for all their hard work.

During the assembly refreshments were given out while a slideshow of all our staff and their participation in school activities such as Residentials, Bake Sales, School Fayres and other events we hold played in the background.

This was an amazing experience and the children showed their gratitude as we all had such a fun morning.

Attendance

Can we please ask that if your child is unable to attend school then can you ensure that you phone the school office and inform a member of the office staff why your child is off.

Can we please ask this is done before 9.00am, thank you.

Clement Court

Last week the Year 5's went to Clement Court to read to the residents. We found out the one of the residents Mary turned 100 years old! Surprisingly, she received a card from the Queen with a picture and a signature.

Mary also received a telegram, wishing her Happy Birthday. Mary didn't want any presents for her birthday instead, she asked for donations to her favourite charity 'Forget Me Not'. In total £600 was raised to give to the charity.

Dinner money debt

Can we ask that ALL dinner money debt is cleared as we break up for the Christmas holidays.

Mental Health and Well Being

Bun Sale

Beech Hill School teamed up with Paddington Bear and Unicef this Christmas to send parcels full of presents to children in danger. On Monday and Tuesday we held bun sales to raise money for Paddington's parcels which include warm hats and scarfs, pencils, school books, toys and vaccines to keep children happy, healthy and safe.

A huge thank you to all the children who enjoyed the treats and the baking contributions from staff to such an amazing cause. Thank you.

Elf on the shelf

Today we had a visitor in 2's unit. The children arrived and immediately said look what's happened to our school, its all messy. I explained that we have a visitor called Bob Sleigh and he's come to have fun with you.

We had to look for treasure under cups and match the colour and numbers to the matching cards. Our children really enjoyed finding the treasure for Bob Sleigh.
