# Beech Hill Value

Our value for the first fortnight of 2019 is friendship. Through assemblies, children will be exploring the qualities that make a good friend, how to make friends with others and how to resolve friendship issues amicably.

## Important Notice:

Can all parents please be mindful that at the start of a school day teachers are extremely busy and may not be able to have quick chats with parents and we ask that if you would like to talk to your child's teacher then please arrange it with them for the end of the school day after 3:15pm. Thank you for your continued support.

I hope you have all had a great holiday and are ready to learn!

Our school attendance is currently at 96.1%. This means we are achieving the national average. In order to achieve our end of year target we have to maintain this until the end of this academic year. We are working extremely hard as a school, to ensure pupils attend regularly and receive the learning they need to achieve their true potential.

Sadly, there has been an increase in families requesting leave of absence during term time. More often than not the flights have been booked and school has not been consulted or notified. We must point out that taking such leave is at the cost of your child's education and must be avoided at all costs.

In May our year 6 and year 2 pupils will be taking SATS tests and are currently making final preparations. It is important that you support your child in securing a better future by sending them to school every day as this will not hinder their opportunities in the future.

Many Thanks

Farhat Hussain  
Office and Attendance Manager

Poor attendance, I am very concerned.

Below expectations, I am worried.

Above the national average, well done.

Best chance of success, congratulations.
