Roman Visit

Last Monday, Year 3 were lucky enough to have a Roman visitor in school. During the morning the children completed a quiz, played a Roman Delta game and were able to look at Roman artefacts. During the afternoon, they found out about the equipment that Roman soldiers had and how they protected themselves. Some of them even got to test the armour using a sword.

The children then got to act as Roman soldiers by marching information and even took part in their own chariot race!!

Top 5 tips for keeping safe online:

1. Be careful what you share once something is online, it's out of your control. If you do not want your parents or teachers to see it, do not post it.
2. Do not meet people you don't know in person even if you get on with them online, you never know who they really are.
3. Use a complex password it should be hard for other people to guess your password and it's a good idea to change it regularly.
4. Check your privacy settings check who can see what you post and whether your accounts are public or private.
5. Talk about it If you see something online that makes you upset or uncomfortable, talk to an adult you trust.

Year 5 Trip to Headingley Water

Last week, year 5 enjoyed an educational trip to the Yorkshire Water Education Centre in Headingley to find out how water is cleaned before we use it. They found out about what things need to be taken out of the water before we can use it safely such as bacteria, algae, debris, herbicides and pesticides.

Tour De Yorkshire

On Sunday May 5th, Amelia Capiewska took part in a 1km cycling parade before the Tour De Yorkshire starting from the Piece Hall. It was a spectacular event and attracted a huge audience. She was part of a group of children from local schools who took part in a 1km route from the Piece Hall to Victoria Theatre. It was a 'once in a lifetime' opportunity and a thoroughly enjoyable day. Well done Amelia!

Science and Media Museum Trip

On Tuesday, Class Australia went to the Science and Media Museum in Bradford to take part in a Sound Workshop. They learnt all about how sound travels and also took part in some experiments to help them understand how sound can be blocked and how it can travel through solids, liquids and gases.

Beech Hill Value

The value for the next two weeks will be honesty. Year 2 have begun looking at the importance of being honest this week. We hope you enjoy our acrostic poem!
