

BEECH HILL NEWS

Thursday 16th May

Important Notice

During this Holy month of Ramadan we have given children throughout the school the opportunity to showcase their talents in reading Nasheeds (Islamic songs).

We are hoping to put together a small assembly in the last week of term, where we can educate our children on the meaning and reasons for why Muslims observe fast during this holy month. Children have been very enthusiastic and have enjoyed participating.

Bake Sale

A huge thank you to all the children and their families who donated cakes, biscuits and buns to the bake sale to raise money for the National Deaf Children's Society. We managed to raise a total of £116.

Year 6 SATs

Well done to Y6 who have now completed all their tests. All the children worked incredibly hard and we are proud of their efforts.

Thank you to parents for your support this week too - it was lovely to see so many children arriving early to enjoy breakfast and creating a buzz of excitement.

Year 4 trip to Bradford Science and Media Museum

On Tuesday, South Africa went to the Science and Media Museum in Bradford to take part in a Sound Workshop.

They learnt all about how sound travels in waves and also took part in some experiments to help them understand how sound can be blocked and how it can travel through solids, liquids and gases. Well done to all the children, they were great ambassadors for our school!

Internet Safety

Watch for warning signs of a child being targeted by an online predator. These can include:

- spending long hours online, especially at night
- phone calls from people you don't know
- unsolicited gifts arriving in the mail
- your child suddenly turning off the computer when you walk into the room
- withdrawal from family life and reluctance to discuss online activities

Hand writers of the week!

Congratulations to New Zealand class for achieving 100% attendance, this is brilliant! I hope you are collecting and displaying your certificate perfect attendance certificates.

Unfortunately for most of our classes, attendance was below the national average. If your child has a temperature, sore throat or any other minor ailment, please encourage them to come to school. Poor attendance impacts on pupil progress and the social development.

Thank you for your continued support.

Many thanks

Farhat
