Diwali at Beech Hill

Before the holidays reception celebrated Diwali, learning all about who celebrates Diwali, why it is celebrated and how. We were very lucky to have 2 parents come into reception in their special Diwali clothes to talk to us and show us how they celebrate Diwali.

We made special Diya lamps with salt dough and tea lights, we baked them in the oven and then painted them. We then lit our candles and carefully looked at our Diya lamps whilst listening to some Indian music. We also tried lots of Indian food such as naan, samosas and bhaji's, some of us liked the taste and some of us didn't! Then we learnt about Rangoli patterns and got to create our own as a class using chalk outside!

Finally, we looked at mehndi and created our own mehndi patterns using brown and orange coloured felt tip pens. It is very important and part of our curriculum to learn about other cultures and traditions and we certainly enjoyed it! We hope that everyone who celebrates Diwali had a fantastic time!
