Anti-Bullying week

Small change. Big difference.

Whether it is verbal, physical, online or in-person, bullying has a significant impact on a child's life well in to adulthood. By making small, simple changes, we can break this cycle and create a safe environment for everyone. Because together, we can challenge bullying. Change starts with a conversation. It starts with checking in. It starts with working together.

Aldi vouchers for sports kits

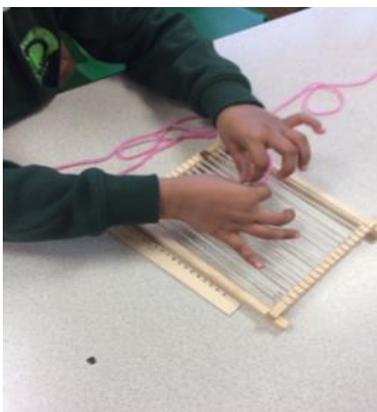

Thank you so much for all your Aldi stickers! We have now completed two posters so we will receive two sports kits for school as well as going into a raffle for a chance to win £20,000.

E-Safety

- Never share your passwords with anyone
- Keep logins and private information safe
- Use educational games instead of War / Action games
- Keep passwords as something you'll remember and no one will figure out

Roman day workshop

On Wednesday 6th November, the Year 3 children from Beech Hill School and Dean Field School took part in a Roman Day workshop to launch their new history topic, the Romans! The children looked at replica artefacts from the Roman times to help them understand what life was like in Britain over 2000 years ago. They learnt a Roman army drill and even got to try on some Armour! An enjoyable and meaningful day was had by all!

Sports update

Last Friday our school took part in the annual Girl's Futsal event which was organised by Halifax FC and held at the North Bridge Leisure Centre. In what was virtually a new team having lost some good players from last year, our girls did brilliantly against some extremely tough opposition.

Having competed against 10 other schools, the team finished a fantastic 3rd position. In doing so, the girls will now go on to compete in the Calderdale Futsal Finals which is to be held in early December. We are all so proud of the team's achievement.

A healthy packed lunch.

Try some of these ideas to provide a healthy packed lunch at school.

Get your five a day

Add a selection of vegetable sticks.

Carrot, cucumber, pepper or celery will go great.

Simply spread the bread out, add the filling, roll it up and cut it into slices.

Updating details

It is important as a school that we have the correct phone number for all of our parents in case of an emergency should we need to contact you.

If you are updating your phone number please collect a form from the main office and fill it out with the correct details so we are aware.

Thank you for all your continued support.

Trip money notice

Can we please ask that ALL trip money is brought to school in a sealed envelope with your child's name on and handed in to the class Teacher or Teaching Assistant. This is to ensure no money is lost.

Thank you

NHS Advice about Sickness and Diarrhoea

No specific treatment is needed, but it is important to drink plenty of fluids to prevent dehydration.

As you will know, sickness and diarrhoea is highly contagious and spreads easily from person to person, especially in close communities such as schools.

Wash any clothing or bedding that has poo or vomit on it separately on a hot wash clean toilet seats, flush handles, taps, surfaces and door handles every day do not use a swimming pool until 2 weeks after the symptoms stop.

We would like to thank you for your support in this matter.

Dates for your diary

Monday 18th November - Reception Parent Workshop

Monday 18th November - Year 1 Phonics picnic

Wednesday 20th November - Year 2 Shibden Hall

Thursday 21st November - Year 2 Shibden Hall

1	Monday	Tuesday	Wednesday	Thursday	Friday

Health notice

Head lice can make your head feel:
Itchy, like something is moving in your hair
The only way to be sure someone has head lice
is by finding live lice.

Treat head lice as soon as you spot them, you
should check everyone in the house and start
treating anyone who has head lice on the same
day.

There's no need to keep your child off school if
they have head lice.
