## Attendance

Can we please ask that if your child is feeling unwell or has a slight temperature that you give them medicine : Calpol or paracetamol as we encourage you to still send your child to school.

If your child has vomited or has diarrhea then we advise them to stay off and rest.

## Balanced diet

Please can you provide healthy lunch options for you child/ren, as a healthy balanced diet is very important.

Thank you.

## Sport notice

Last week our Futsal boys football team competed against other schools in our area and we finished in 3rd place which was excellent. The boys played extremely well and represented the school really well. Unfortunately, we didn't qualify for the Calderdale Finals. Great effort boys!

## Year 2 Shibden Hall

Children in Year 2 have visited Shibden Hall to start their Great Fire of London topic. They went back in time to discover how and why the fire spread so easily and got into the role of Samuel Pepys by creating their very own diary.

The children also found out about the plague and made their very own tussie mussie, which was used to protect people from the sickness. It really brought their learning to life and they can't wait to find out more about The Great Fire of London in their history lessons!
