

BEECH HILL NEWS

Friday 17th April 2020

Dear Parents/Carers,

I hope this newsletter finds you all well and following the government's advice on of STAYING HOME AND STAYING SAFE. There have been some wonderful pieces of work produced this week by children across the school. I was overwhelmed by the number of families who have created rainbows and displayed them in their windows to show their support for the NHS at this very difficult time. Not only do the rainbows brighten windows, they make people smile and most importantly are a way of spreading hope and happiness.

I am sure you have all seen the news stories this week about the inspirational Capt Tom Moore who, aged 99, has raised an amazing £13 million pounds for the NHS by walking in his garden. I would like to share his wise words "For all those people finding it difficult at the moment, the sun will shine on you again and the clouds will go away." Please cherish this time with your families, learn together, have fun together and try and create lots of happy memories that will stay with you forever.

Take care of yourselves, Stay Home and Stay Safe.

Mrs Shameem Hussain

SCHOOL CLOSURE UPDATE

School will continue to remain closed to the majority of pupils and will only re open upon instruction from the government when scientists deem it is safe to do so. Please continue to follow the current guidelines and stay at home as much as possible.

Gold Book and School Challenges

Virtual Gold Book will return next Friday. See overleaf for some lovely examples of work that have been produced on the Easter/spring theme by children in all year groups. Well done to everyone who had a go!
If you would like to have a go at the 'Stay Home Sports Star' challenge, send a video/photo of yourself completing a sporty activity to Seesaw for our teachers to see. You have until next Wednesday to get your entries in!

Online Safety

While we are in this lockdown situation, making sure children are keeping safe online is very important. Here are some links which may be useful to look at to give you some ideas to help to make sure that your children are accessing suitable material online.
