Smile . Amazon at Beech Hill School

In these trying times we understand that even small actions can help and make a difference. That is why Beech Hill School has changed all our Amazon purchases for the school to Smile.Amazon.

Smile. Amazon is the same site as Amazon except every qualifying purchase the school make, Amazon will donate a small percentage to our chosen charity.

It doesn't cost the school any more money but will help a charity in these hard times. Beech Hill has chosen Overgate Hospice to receive the donations from Amazon for their great work and help they provide the local community.

We ask any Parent/Carer to consider doing the same. Simply go to www.smile.amazon.co.uk and sign in using your normal Amazon log in. You will be asked to choose a charity and then you can shop as normal but at the same time helping a local charity at no extra cost to yourself.

Year 2 The Great Fire of London

The Year 2 children have had a fantastic couple of weeks as they have begun learning all about their topic 'The Great Fire of London'.

They had a virtual museum tour visit which informed them all about life in the 17th Century where they learnt all about the plague and some of the preventatives. The children were introduced to herbs such as camomile, lavender and mint to smell which were used to prevent people from getting the plague.

They have also had our Poet in Residence, Winston, in their class and created a poetry display with descriptive words all about fire. The children are very excited about their art project where they are making a model Tudor house.

Keep your eyes peeled in the coming weeks for their fantastic pieces !

Year 3

Last week in year 3 we really enjoyed Maths Week. One of our maths lessons was all about the book 'More or Less' by Stuart Murphy. The children worked together to grab a duck with a number on and then find 10 more and less than that number. They have also been trying really hard on Timetable Rockstars!

Parent Pay Activation

Can you please ensure that your Parent Pay accounts have all been activated as this is our new cashless system for paying for your child's school dinners and school trips. The accounts can be activated through SeeSaw, however if you require any further assistance then please contact the school office on 01422 345004.

Height: 5ft 3"

Distinguishing features: Long dark hair and pointy shoes.

Finger print type: Whorl

Footprint length: 25cm

Last seen wearing: A cream blouse, black trousers and high heels.

Favourite pen: green erasable pen

Has a key to the safe? YES

Name: Natalija 'The Grabber' Grba

Height: 5ft 6in

Distinguishing features: Long dark hair and nice jewellery.

Finger print type: Loop

Footprint length: 24cm

Last seen wearing: A white cotton dress, black tights and brown knee-high boots.

Favourite pen: A school handwriting pen

Has a key to the safe? YES

Year 6 Investigation

In year 6, our topic this half term is Crime and Punishment. We started the unit off with an investigation into a crime that happened in school.

We discovered that Mrs Lee's merit badge money had been stolen and we were given a set of clues to work out who the culprit was. We used forensic techniques such as chromatography and finger printing to help us work out who could have carried out such a terrible crime.

The list of suspects looked very suspicious but we found out 'who dunnit' in the end.

Well done year 6 for cracking the case!

Maths Week

Last week at Beech Hill we celebrated Maths Week England with some of our own activities. All year groups had a maths story to read in one of their lessons, we had a maths themed Gold Book, there were puzzles and challenges posted on Seesaw every day, we learned about some famous mathematicians and we had a Times Tables Rock Stars competition between classes here and at Dean Field.

Well done to Dean Field for winning the school competition !
