Friday 2nd October 2020

Another fantastic week in Year 1!

This week we began reading our new book 'Paddington at the Rainbow's End'. The children have loved reading and answering different questions about the book.

We have been writing lots of sentences about what Paddington saw on his walk - these were fantastic!

In maths we have been learning lots of new skills. We have been using numicon to count and add numbers practically.

Samba workshop

Last Wednesday, Year 4 enjoyed a Samba Drumming workshop as part of their music lessons and to link with our topic, Brazil.

The children were taught lots of different rhythms and learnt how to play different tones, pitches and volumes on their instruments.

Finally, they layered them up to create their very own Brazilian Carnival Samba! A great time was had by all the children and staff!

Year 5

Over the past week in Year 5, we have really been getting stuck into our new class text 'Floodland'. We have enjoyed using our imagination to write an alternative ending to a chapter and we are really eager to read on and see what happens next!

Each Year 5 class also spent a morning in forest school! It was great to get outside and explore. We used our creativity and communication skills and had lots of fun as a class.

meet the TEACHER

Name: Miss Badley

Class: Denmark

Did you always want to be a teacher?

When I was in Year 6 at primary school we were asked what we wanted to be when we grew up. I said I wanted to be a costume designer for films and also a hair dresser! So no, I didn't always want to be a teacher. But I've now been teaching 7 years and struggle to imagine anything else!

If you could travel anywhere where would you go?

I would love to go and see Italy some more. I've been lucky to go previously, but there's so much more to see and do, and so much more pizza and pasta to eat!

Who inspires you and why?

Emma Watson is great. Not only does she portray Hermione in the Harry Potter series, but she also uses her celebrity status to work hard for gender equality and rights for women across the world.

Grandad's Island by Benji Davies.

Aspects of our lives have changed and it can be difficult to make sense of change and adjust to new ways of living when events are out of our control.
