STEM Speakers

We were very lucky to have two guest speakers on Monday afternoon to talk to the children about careers in STEM areas. Professor Iqbal and Zaine Arshad, who both attended Beech Hill, were very impressed with the questions asked by the children and the responses that they gave.

The children sat beautifully and listened carefully during the Zoom session and we all learned lots! We even had a tweet from Professor Iqbal to say how impressed he was with the children!

We hope that this session helps to inspire more children to take up STEM subjects in secondary school and beyond.

This half term's puzzle piece is called 'Changing Me' so we are taking a trip down memory lane to see how much the teachers of Beech Hill have changed!

Check out Seesaw to see if you can correctly identify the baby photos of some of our teachers. They are also displayed on the Year 2/3 corridor.

Prizes for those children who can get them all correct!

100 Fun Outdoor Activity Ideas

Forest School have come up with 100 fun outdoor activities for you and your children to try. Keep an eye on the newsletter every week for a new set of activities.

6. Go on a welly walk. Don't forget to splash in muddy puddles!
7. Build an obstacle course.
8. Invent a new ball game.
9. Play hopscotch.
10. Learn how to skip or hula-hoop.

Well done! Keep up the hard work.

Healthy Lunch Box

It is important that your child has a good lunch to sustain them throughout the school day.

What does a healthy lunch box consist of?

Sandwich or wrap
Salad
Fruit
Yogurt
Water

Please avoid high sugar and salty foods such as crisps, sweets or chocolate and fizzy drinks.

Please also avoid dilute drinks or pure juices. Water is provided in the dining hall.

Sweets, chocolate and fizzy drinks will be collected from children and returned to parents at the end of the day.

One Britain One Nation Day

On Friday 25th June, we celebrated One Britain One Nation Day.

It was a day to show pride and unity for all and a fantastic opportunity to show compassion, respect and tolerance for others. We really enjoyed all of the activities and it was great to feel a buzz around school! We especially loved the special appearance from Mr. Winston and the delicious biscuits.

Caterpillars have arrived in Reception!

The children in Reception have been very excited to welcome our new, temporary, class pets. On arrival each pot contained 5 tiny and wriggly caterpillars!

The caterpillars are eating well and have already begun to grow. We are looking forward to seeing what happens when the caterpillars form chrysalides.

Do you know what will happen after that?

Time Out

A guide for Parents

Mean what you say and carry it through!

A simple approach to 'time out'

- Explain time out to your child before you use it (more than once).
- One minute for every year of a child's age.
- Decide on an appropriate safe place.
- Do not give the child attention when in 'time out' e.g. arguing, eye contact.

Top Tips

Incident: child has hit someone

Step 1: Say 'our rule' is to care for others so go to the time out space.

Step 2: Child goes for an agreed time, there should be at least two minutes of quiet.

Step 3: Child comes out, it is important there is no discussion and the child refocuses on something else.

Remember

- Not appropriate for Under 3's
- Restrict use to problem behaviour.
- Time out space...not labelled naughty spot.

Suggestion is child does not comply

- Add more minutes for older children
- Loss of privilege or implement sanctions.
