

BEECH HILL NEWS

Friday 16th July 2021

Important Notice

It has been brought to our attention that some children are playing games or accessing social media that are not age appropriate.

All games have a PEGI rating which provides advice for parents regarding the age suitability of a game. However, every child is different and it is ultimately parents who should decide what their children are capable of viewing or experiencing.

Here are some top tips for parents when deciding if a game is suitable for their child/children:

- * Always look for the age classification on the game package or in the digital store.
- * Try to look for a summary or review of the game. Ideally, play the game yourself or...
- * ...play video games with your children, it's the best way to learn about them. Watch over your kids when they play and talk with them about the games they play. Explain why certain games may not be suitable.
- * Agree on the amount of time that can be spent playing games per week.
- * Encourage your children to take regular breaks.
- * Be aware that games can enable the purchase of additional downloadable content.
- * Online games are played in virtual communities allowing players to interact with unknown fellow players. Tell your children not to give out personal details and report inappropriate behaviour.
- * Set limits (age, time, spending, online access) by using parental control tools.

All the social media sites or apps have a minimum age limit of 13 for account holders. Therefore, children at Beech Hill school are too young and shouldn't have their own account.

On Friday 23rd July, there will be a lost property stall in the playground.

Parents will have the opportunity to check for anything that may belong to their children.

After that, any remaining lost property will be sent to the YMCA in Halifax.

Please remember to always put a name in your children's uniform so that if something is lost it can be easily returned.

Next week will be your child's Sports Day. We will inform you of the day, later this week.

Unfortunately, due to the current guidelines, we are not inviting parents into school as we have done in previous years. We know this is a shame but look forward to next year when we can get back to normality.

We will share videos and photos of your children from the event on Seesaw.

We hope your child has a fantastic day.

Kind regards

Mr Hoyle and Mr Batley.

Eid al-Adha

As many of you may be aware, Eid al-Adha falls next week on Tuesday and Wednesday.

This is a time of great importance to our Muslim families, and I am sure many of you are looking forward to celebrating this festival with your loved ones.

School will remain open on these days, and we expect children who are not celebrating Eid to attend as normal.

Beech Hill's Masked Singer

Masked Singer

We are almost at the end of the school term, which can only mean one thing - the Merit Treat is coming!

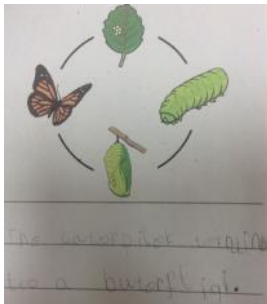

This is for those children who are receiving a Merit Badge for good behaviour throughout the term.

Some of the adults within our school will be performing our very own social distanced version of the Masked Singer.

Butterflies

We have butterflies in Reception! In USA3, three of our caterpillars have emerged from their chrysalides as beautiful orange, black and white butterflies. They are called 'Painted Lady Butterflies'. Our children have written some sentences about them.

Dinner Menu w/c Monday 19th July
