

BEECH HILL NEWS

Friday 25th June 2021

Year 4 had Mr Winston for poetry last week and wrote this poem as a class with him.

Mr Winston has written a little explanation of what we did too:

"This week in our creative writing class we were inspired by the poet John Agard and after our main exercise we wrote some prose as a class together trying to describe the fantasy world of a poet."

Chocolate Liberty

The child poet
wrote about chocolate
with their chocolate soaked quill.

About how it's so sweet and creamy
and how, in their dreams
they live in a chocolate house
eating a chocolate Statue of Liberty.

But sometimes it's just as well that
summer dreams don't come true
and turn into melting nightmares.

STEM speakers

We are very lucky to have two former pupils of Beech Hill School talking to our children in year 3-6 next week.

They will be appearing via Zoom to the classrooms where they will talk about their careers in STEM (science, technology, engineering and maths). We are looking forward to hearing all about their careers!

The children have been busy preparing some questions for them to find out a bit more about how they got into the jobs they are working in.

Watch this space to see what they find out!

100 Fun Outdoor Activity Ideas

Forest School have come up with 100 fun outdoor activities for you and your children to try. Keep an eye on the newsletter every week for a new set of activities.

1. Roll down a hill. Don't forget to look first!
2. Build a den in your garden or outdoor space if permitted.
3. Skim stones across a lake.
4. Paddle in the sea.
5. Eat a picnic in your garden, a park or at a beach.

Sorting It Out

A guide for Parents

Top Tips

Some simple steps to follow

- Be ready to sort the problem out.
- Be calm and think clearly.
- Agree to listen to each other without blaming and interrupting.
- Use 'I messages' to explain points of view.
- Discuss ways of solving the problem.
- Agree an idea and try it out.

Skills to sort it out

- Be a good listener.
- Be able to calm down when we are angry.
- Be able to see someone else's point of view.
- Be ready to apologise.

Remember

When you listen, give all of your attention.

Take the problem seriously.

Accept the other person's feelings.

Remember you are looking for a 'win win' solution.

'I messages'

I feel...(describe how you feel)

When...(point out the action that is annoying you).

Because...(describe the effect on you or other people).

I would like...(what you want to see happen).

BEECH HILL

MasterChef

This half term year groups will be taking part in a Beech Hill Master Chef day and doing some cooking! We'll be learning lots of new skills and creating some tasty dishes!

Our focus will be finding out about and making food from some of the different countries and places that our Beech Hill Family are from. We'll be looking at food from South Asia (eg: India, Pakistan, Bangladesh); food from Eastern Europe (eg: Poland, Czech Republic and Slovakia) and foods from the United Kingdom.

We would love to hear about the food that you and your families eat and where it originates from, so look out on Seesaw for some information about this in the next few weeks. Also look out in the newsletter for updates of what year groups get up to in the kitchen!

Year 3- Master Chef day!

On Monday, all the children in year 3 took part in their first master chef day.

The children made Victoria sponge cake inspired butterfly buns. They practised skills such as weighing ingredients, creaming butter and cracking eggs. After baking and allowing them to cool, the children were able to decorate their cakes and eat them.

The children had a fantastic day and really enjoyed eating their own creations!
