Beech Hill Flat Stanley in Luxembourg

Beech Hill Flat Stanley went to stay with Mrs Lee's nephews, who live in Luxembourg. Their names are Freddie and Nathan

Whilst on their daily walk, Stanley was shown around and went to the border. With just one step either way and they could have been in 3 different countries-Luxembourg, Germany or Belgium ! How amazing is that! 3 countries in 1 day!

Stanley also went to see the highest point in Luxembourg.

He had an amazing day!

CARERS TRUST

Young Carers in School

A 'young carer' is defined as:

'... A person under the age of 18 who provides or intends to provide care for another person

... This relates to care for any family member who is physically or mentally ill, frail, elderly, disabled or misuses alcohol or substances.'

They are often hidden and are particularly vulnerable - especially throughout the Covid-19 crisis. Many have experienced an increase in their caring responsibilities or are caring for the first time.

If you think your child falls into the category of 'young carer' and you would like some more information or some support please contact **Mandi Hunter, Learning Mentor.**
