

BEECH HILL NEWS

Friday 18th March 2022

Welcome

On Thursday 3rd March, we welcomed some new children and their families into the school community. The children have come from places such as Iraq, Iran and Somalia and they have formed class Madagascar.

The children have settled into life at Beech Hill very well and we are excited to have them here so we can learn about their culture and they can learn about ours.

We are also extremely proud of all the students at Beech Hill for welcoming the refugees with open arms and helping the new children to settle in.

Science

NHS Competition

Think about the wide range of jobs in the NHS that helps people. You can say thank you to people who do a particular job you have seen or say thank you to a whole team!

Get creative...

Produce a piece of artwork - a painting, drawing, video or collage, for example.

or

Write something about it - a poem, story or song.

or

Overall national winner(s) will receive Amazon vouchers worth £50

Deadline: Hand in by Friday 8th April

"Trade your expectation for appreciation and the world changes for you."

Please may we remind parents that we are a nut/peanut free school.

We have some children in school with a serious nut/peanut allergy and coming into contact with nuts/peanuts could be potentially life threatening.

Thank you for your co-operation!

IMPORTANT NOTICE

Measles, Chicken Pox and Shingles

One of our pupils is receiving medical treatment which means their immune system is suppressed. This puts the pupil at serious risk if exposed to measles, chicken pox or shingles.

The best way to protect a pupil from measles is for all pupils to be immunised against measles. Please discuss measles immunisation with your GP if your child is not already vaccinated. If you suspect your child has measles you should let the school know immediately.

Our pupil is also at risk from chicken pox and would need to be given an injection within three days of contact. Please let us know immediately if you suspect that your child has chicken pox. It is also very important that you let us know if anyone in your household has shingles.

Our pupil is at greater risk from diarrhoea and vomiting infections, may we please remind you not to send your child back into school until they have been free of symptoms for 48 hours. This is for everyone's benefit, including staff.

Your own child is not at risk whatsoever from this situation. However, the health and wellbeing of our pupil who has a suppressed immune system may be at serious risk. We depend on the cooperation of all parents and know that we can rely on your help.

Thank you for your continued support.

Drop off and Pick up

If you are travelling by car to drop off or pick up your child, then we kindly ask that you park in a safe and sensible place.

We close Mount Pellon Avenue so that our children and their families can arrive and leave school safely. Our staff ensure that the school site is kept safe and that everything runs smoothly during drop off and pick up times. Please ensure you follow any instructions given by our staff.

Aggressive and abusive behaviour towards any staff members will not be tolerated.

Please respect the school community! Thank you for your co-operation with this matter.
