

BEECH HILL NEWS

Friday 14th July

School Donation

On Tuesday, we were joined by Carol and Christine from the Salem Church luncheon club. They made a very generous donation to school due to the closing down of the church.

We are planning to host events for others in our local community to make good use of this very kind gesture. Thank you!

Books, Books, Books

We would also like to say a big thank you to Philippa Khan (Zachariah Khan's Mum) for donating a huge stack of books to school.

They are now on the book shelves ready to be selected and read by the children.

Y5 London Trip

On Wednesday 12th July at 7:15am, sixty year 5 children from Beech Hill and Dean Field set off on their journey to London. The children had a very early start as they had to be at Halifax Train Station for 6:50am. They were all very excited as they travelled by train to Kings Cross Station in London.

The first stop when they arrived was the London Eye. The children's reactions to seeing this famous landmark was absolutely wonderful. They couldn't believe how big it was in real life and they were so excited to go on it. It was lovely to see the children talking about their classroom learning as they looked out across our capital city pointing out different places of interest. The children had their lunch in Jubilee Gardens before heading on to the theatre to watch 'Wicked'. The performance was amazing!

Throughout the day, the children travelled by tube numerous times which can be a little bit daunting as it is quite busy. All of the adults were extremely proud of the children's behaviour and how they stayed together in groups safely travelling around.

After the theatre, the children enjoyed tea at Pizza Express. Many members of the public commented on the excellent behaviour of our children.

It was an absolute pleasure taking the year 5 children to London and a great day was had by all!

Year 2 Trip to St Anne's Beach

On Tuesday 11th July, year 2 went to St Anne's for a fun-filled beach trip.

Although the weather was forecast for rain, we did not feel a drop! It was a glorious day and the children had a fantastic time. As soon as they arrived, they went straight on the beach and played in the sand. The children made lots of sand castles and even buried Mr Hoyle and some of their friends too. When it was time for lunch we had a picnic in the St Anne's band stand, but the fun didn't stop there as they were treated to a delicious, creamy ice-cream.

Year 2 had the best day ever and we are grateful to all the teachers and support staff who made it a success. The children behaved impeccably well and made Beech Hill proud. Well done to you all!

Year 4 Haworth Bronte Museum Trip

This half term, year 4 have been learning all about Yorkshire and the famous Bronte sisters.

To bring our learning to life, we visited the Bronte Parsonage Museum in Haworth. The children took part in a 'hands on history' workshop where they looked at primary sources from the Victorian era. Afterwards, we took a tour around the Bronte's house which is now a museum! We also went on a guided tour around Haworth and some of the moors.

The children really impressed the adults with the questions they asked and the enthusiasm they showed. They were impeccably behaved and we even received compliments from members of the public! Well done year 4.

TT Rockstars Most Improved Accuracy

Year 1 - Aizah Javid (Scotland)

Year 2 - Alina Hussain (Morocco)

Year 3 - Sumayah-Noor Mahmood (Jordan)

Year 4 - Yusuf Ali (Australia)

Class with the highest daily minutes played per active player

Wales

House Points

These children have all been awarded a **bronze** certificate for receiving **50** House Points.

Rehan Subhani

These children have all been awarded a **silver** certificate for receiving **100** House Points.

Heptonstall Visit

On Monday, a group of children from years 2, 4 and 6 went on a visit to Heptonstall Primary School.

We had a fantastic day being shown around the historic village by Heptonstall's Year 6 students. We wandered down the cobbled streets visiting the Grade II-listed buildings, the old grammar school, the museum and the graves of Sylvia Plath the American poet who was married to Poet Laureate Ted Hughes and David Hartley who was the founder of the Cragg Coiners. After a quick stop at the local park, and taking in the views of the valley and seeing Studley Pike, we went back to the school for lunch. After lunch, the children had the pleasure of watching the whole school performance of Shrek.

It was a truly wonderful day.

National Online Safety - Weekly Information

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.
