## Right of the Week

This weeks' article is article 26 - social and economic help.

Governments should provide money or other support to help children from poor families.

At Beech Hill, we ensure that pupils who come from disadvantaged backgrounds receive the same quality first teaching as other pupils.

We carefully track their learning as they move up through school to ensure they are making expected progress, just as we do for all other pupils. We aim to provide them with a wide range of experiences so that they all have high aspirations for the future.

Where possible, we help our families that may be struggling financially to ensure their child can access the same education as everyone else.
